

Become a Member of the Learn with Workday Talent Directory

Enable Workday customers and partners to connect with you based on the skills and digital credentials you've earned through Learn with Workday.

1

Update your profile settings by signing into your [Credly](#) account.

- **Navigate to Account Settings, Privacy + Security** and turn on the following:
 - ✓ Allow my profile to be publicly visible.
 - ✓ Allow users to contact me using my public profile.
 - ✓ Allow my profile to be included in searchable directories.
- **Select Career Preferences** to turn on:
 - ✓ I'm interested in being contacted about job opportunities.
 - ✓ Enter in your LinkedIn URL (links to your profile in the Credly badge earner directory).
- **Visit the [Learn with Workday Talent Directory](#)** to view your profile.

2

Post your Learn with Workday achievement on social media and add your digital badge to your LinkedIn profile.

3

Follow Workday on [LinkedIn](#) for program updates.

**Enabling your skills to stand out.
Customers and partners can:**

View all badge earners skills, experience, and networking links.

Send messages directly regarding opportunities through your profile.
