

Workday Pro HCM Core

Exam Guide

Congratulations on making it this far in your Workday Pro journey. You're one test away from the benefits of being a Workday Pro, including access to the [Workday Touchpoints Kit](#) and membership to an exclusive Workday Pro collaboration group on Workday Community.

This study guide is designed to help you prepare for the Workday Pro exam. This guide provides general testing information and outlines the specific topics covered in each segment of the exam.

Testing Information

The Workday Pro exam consists of 50 questions. To pass the exam and become a Workday Pro, you must achieve a score of at least 80% (40 out of 50 questions). You will have 100 minutes to complete the exam. You will also have two attempts to successfully complete the exam. Subsequent attempts require a fee of 0.5 Training Credits. To learn more about the exam, review the [Workday Pro FAQ](#) on Workday Community.

Courses Included in the Track	Number of Related Questions
HCM Fundamentals	30 questions
